9 It is enacted by the General Assembly as follows:

10 SECTION 1. Chapter 5-8.1 of the General Laws entitled "Land Surveyors" is hereby amended by adding
11 thereto the following section:

12 **5-8.1-21. Right of entry for professional land surveyor performing surveying services.**

13 (a) A professional land surveyor, issued a current and valid certificate of registration in accordance with
14 the provisions of this chapter, when performing surveying services at the request of a landowner or person with an
15 interest in real estate, may, without the consent of the owner or person in possession, enter upon or cross any lands,
16 air, space or water resource, whether publicly or privately owned, *except* for property owned or operated by a
17 public or private utility, railroad, airport or limited access highway, security facility (prison) or any property with
18 a documented safety or security plan, and specifically exempting property owned and/or operated by wastewater
19 treatment facilities, necessary to perform surveying services.

(b) Nothing in this section shall be construed as authorizing a professional land surveyor to intentionally destroy, injure, damage or move any object, chattel or item on the lands of another without the permission of the owner.

(c) This section shall not be construed to provide statutory protection from civil liability for actual damage to land, chattels, crops, trees, structures or personal property.

(d) This section shall not be construed to authorize a professional land surveyor to enter any building or structure **used as a residence or for storage.**

(e) A professional land surveyor shall make reasonable effort to notify a landowner and person in possession upon whose land, air, space or water resource it is necessary for the professional land surveyor to enter or cross. Notice provided as follows meets the requirement of this subsection:

(1) Written notice delivered by hand to the person in possession of the land and the landowner or to the residence of the landowner upon whose land, air, space or water resource the surveyor may enter or cross, delivered at least twenty-four (24) hours prior to the surveyor's entering the land, air, space or water resource; or

(2) Written notice mailed by first class mail to the person in possession of the land and the landowner upon whose land, air, space or water resource the surveyor may enter or cross, postmarked at least five (5) days prior to the surveyor's entering the land, air, space or water resource. The surveyor may rely on the address of the landowner as contained in the municipal property tax records or their equivalent.

(f) Surveyors who enter land, air, space or water resource pursuant to this section shall carry on their person identification sufficient to identify themselves and their employer or principal and shall present the identification upon request.

(g) Vehicular access to perform surveys is limited to established roads and trails, unless approval for other vehicular access is granted by the landowner.

(h) Approval of the landowner is required for the clearing of trees, brush, or other vegetation.

1 (i) Except for willful or malicious failure to guard or warn against a known dangerous condition, an owner
2 and/or person in possession of the land do not:

3 (1) Extend any assurance that the premises are safe for any purpose;

4 (2) Confer upon the surveyor the legal status of an invitee or licensee to whom a duty of care is owed; nor

5 (3) Assume responsibility for or incur liability for any injury to any surveyor or property caused by an act
6 of omission of that person.

7 (j) As an act of good will and in order to keep the landowner informed, a professional land surveyor shall
8 supply the landowner with information on located, established, or reestablished corners that lie on the land or that
9 may affect the boundaries of the land. Upon request, the professional land surveyor shall provide the landowner
10 with a copy of any relevant survey filed or recorded.

11 (k) A professional land surveyor and the surveyor's assistant shall comply with all federal and state safety
12 rules and regulations that apply to the land that they enter or cross pursuant to this section.

1 SECTION 2. This act shall take effect upon passage.

EXPLANATION
BY THE LEGISLATIVE COUNCIL
OF
A N A C T
RELATING TO BUSINESSES AND PROFESSIONS - LAND SURVEYORS

This act would grant a right of entry for a professional land surveyor issued a current and valid certificate of registration performing surveying services for a landowner to enter upon or cross any lands, air, space or water resource, whether publicly or privately owned, exempting property owned or operated by a public utility and/or operated by wastewater treatment facilities, necessary to perform surveying services. Prior to entry, the surveyor would provide at least twenty-four (24) hours notice to the owner and the possessor of land. The land surveyor would not be protected from any claim resulting in damage caused by the surveyor and the owner and possessor of land would owe no duty of care to the surveyor, except for willful or malicious failure to guard or warn against a known dangerous condition.

This act would take effect upon passage.
